STUDENT FUND RAISING

Students may raise funds for school-sponsored events with the permission of the principal. Collection boxes for school fund raising must have prior approval from the principal before being placed on school property.

The main emphasis of any fund-raising campaign should be on the educational aspects of the program or for charitable contributions. Contests between rooms and schools will not be used as a promotional device.

No contribution of money for any purposes will be collected from or by school children except with the permission of the superintendent
