STUDENT HONORS AND AWARDS

The school district shall provide a program that establishes honors and awards including, but not limited to, academic letters, scholarships and good citizenship awards for students to assist them in setting goals. Students shall be made aware of honors and awards and the action necessary on the part of the student to achieve them. Students who receive all A's and B's for a specified reporting period shall be considered as 'Honor Roll' students. Any student receiving an incomplete or an unsatisfactory grade for the reporting period shall not be placed on the honor roll. As a result of attending this school for only one school year, foreign exchange students will not be considered for the honors of valedictorian or salutatorian.
