POLICY REVIEW AND REVISION

The board will periodically review, update and approve the board's policy manual.

It shall be the responsibility of the superintendent to keep the board informed as to legal changes at both the federal and state levels. The superintendent shall also be responsible for bringing proposed policy statement revisions to the board's attention.

If a policy is revised because of a legal change over which the board has no control or a change which is minor, the policy may be approved at one meeting at the discretion of the board.
