

## 502.05 Student Transfers In

Friday, August 11, 2023

### **STUDENT TRANSFERS IN**

Children shall be accepted for enrollment in all grades of the school system at any time upon presentation of acceptable certificates of record from their former school and upon presentation of acceptable proof of their legal residence in the district. It shall be at the superintendent's discretion to decide what constitutes acceptable proof of residence.

In addition, nonresident students meeting requirements of the open enrollment laws and the Nonresident Students policy may transfer to this district for a minimum of one year with limitations in accordance with state law.

Students must present evidence of physical exams, immunizations and other requirements as stated by other policies of the district.

If a student has been expelled from any public school district in any state, or from a private, denominational, or parochial school in any state, and the student has not completed the terms or time period of the expulsion, the student shall not be permitted to enroll in this school district until the expulsion period from such other school has expired, unless the School Board of this school district in its sole and absolute discretion upon a proper application approves by a majority vote the enrollment of such student prior to expiration of the expulsion period. As a condition of enrollment, the School Board may require attendance in an alternative school, class or educational program pursuant to Nebraska law until the terms or time period of the original underlying expulsion are completed. A student expelled from a private, denominational, or parochial school or from any public school in another state, will not be prohibited from enrolling in the public school district in which the student resides or in which the student has been accepted pursuant to the enrollment option program for any period of time beyond the time limits placed on expulsion, pursuant to the Student Discipline Act, or for any expulsion for an offense for which expulsion is not authorized for a public school student under such Act. For purposes of this policy, the term expulsion or expelled includes any removal from

any school for a period in excess of twenty (20) school days.
