STUDENT HONORS AND AWARDS

The school district shall provide a program that establishes honors and awards including, but not limited to, academic letters, scholarships and good citizenship awards for students to assist them in setting goals. Students shall be made aware of honors and awards and the action necessary on the part of the student to achieve them. Students who receive all A's and B's for a specified reporting period shall be considered as 'Honor Roll' students. Any student receiving an incomplete or an unsatisfactory grade for the reporting period shall not be placed on the honor roll.

The valedictorian is the student earning the highest overall cumulative GPA with the salutatorian having the second highest cumulative GPA. The administration shall set a date when second-semester grades will be utilized to determine the valedictorian and salutatorian.

To be eligible for either the valedictorian or salutatorian honor, the student must attend Banner County High School for a minimum of four (4) semesters including both semesters of the senior year.
